

Croquet is.....

- An enjoyable game for the whole family.
- A game of tactics and skill.

Play in your own garden or join a club and play with others. All you need is a pair of flat-soled shoes. The club will supply the rest of the equipment. Later on you may want to buy your own mallet. There are local, national and international competitions throughout the summer.

The Croquet Association

The Croquet Association is the national organisation for croquet. It works with other national croquet organisations to determine the rules of the game which are accepted worldwide. Under its auspices, national and international competitions take place regularly.

There are about 220 croquet clubs in Britain registered with the CA which run about 300 croquet tournaments every summer, open to any CA members. Clubs also run local competitions and provide coaching for their own members.

The East Anglian Croquet Federation

The Federation is the association of croquet clubs in East Anglia. It encourages the formation of new clubs, provides loan equipment and organises competitions within the area, including indoor tournaments during the winter season.

Croquet is.....

An enjoyable game for the whole family. It is a combination of skill and tactics. In Association Croquet the objective is to play a succession of shots to get your ball through as many hoops as possible in a continuous break. In Golf Croquet each player in turn tries to get his ball through the hoop with a single shot before all moving on to the next hoop. The handicapping system allows players of all abilities to compete on equal terms.

Where to see it played

Croquet is played regularly at most clubs listed in this leaflet. Competitions can be seen, mainly at weekends, particularly at the larger clubs, Colchester, Hunstanton, Ipswich, Letchworth, Newport, Northampton, Watford and Wrest Park. The dates and times can be obtained by contacting the clubs concerned.
